<p>Y4</p>	<p>To all our lovely new Year 4 children, we hope you have an amazing summer holiday and come back refreshed in September. We are very excited to welcome you all into our new classrooms and we are looking forward to a fantastic year with you. We have planned lots of exciting and fun lessons for next year which we hope you will enjoy.</p> <p>Just a reminder that our PE days will be on Mondays and Tuesdays so please can you make sure that your PE kit is in school for the first day back and that every item is properly named. Can you also remember to bring a named water bottle in with you on the first day (filled with water only please) and, if possible, can these be reusable plastic bottles rather than metal. Remember to keep practising your times tables and practising or learning to practise telling the time over the holidays.</p> <p>Have an amazing summer, stay safe and we will see you all in September,</p> <p>Mrs Kavanagh and Miss McKinney</p>

Y5	<p>The Year 5 staff are really looking forward to working with our new classes in September. We all had a lovely transition day and can tell that we are going to have a wonderful year together. When you come back in September, please bring in your PE kits. PE will take place on Wednesday and Thursday afternoons but kits should remain in school until half term. If you get the chance over the summer, please send us a postcard to school. We would love to read them out in the Autumn term. Don't worry if you're not going anywhere exotic. You could write a little hello from your garden!</p> <p>Brackenwood Junior School, Norbury Avenue, Bebington, Wirral, CH63 2HH</p> <p>Have a wonderful break,</p> <p>Ms Webster and Miss Worthington</p>
Y6	<p>Dear parents/carers,</p> <p>We are super excited to welcome our new Year 6 children in September! After our transition day a couple of weeks ago, we can already tell that they are going to be perfect role models for the younger children.</p> <p>PE will be on Wednesday and Thursday in September (Wednesday being taught by Activity for All). PE kits can be left in school so that they are not forgotten!</p> <p>Please ensure the children have a school bag, pencil case and water bottle every day so that they are fully prepared.</p> <p>We'd like to encourage the children to look out for their new Year 3 buddies (particularly during the first week) to help them settle into our school.</p> <p>We look forward to welcoming you and your children back in September! Have a wonderful summer.</p> <p>Take care, Year 6 teachers</p>
