As a last reminder, 4M children will need to be dropped off at the centre at 8:45am and 4K children will need to be dropped off at 9:00am. The car park at the centre is very small and the road leading to the centre very busy so we would be grateful if you could keep to these timings to avoid any congestion. Please can you also remember to bring any medication for your child with you when dropping off your child and ensure that this is handed over to staff at drop off. Children will need a packed lunch for the first day, please ensure that there are no products containing nuts as we do have children with severe allergies on this trip. We would also be grateful if you could carefully check the kit list for the trip to ensure your child has all necessary clothing / items for the 2 days that we are away.</p>
