<p>Y4</p>	<p>Weekly attendance w/c 13th May 2024 4K – 97.33% 4M – 91.33%</p> <p>Year 4 have been working extremely hard in school practising for their MTC test, with daily mock tests to improve their fluency and speed. However, it would be hugely beneficial to the children if they were practising just as hard at home every day. Some of our children are doing this already but many are not practising at home at all, which is reflected in the scores they are achieving. As the test date is getting ever closer, can we please encourage everyone to be practising their times tables and the MTC mock tests on TTRS at home as often as possible to help improve scores. The children need to score full marks in the test so every bit of practise time is really important. We really appreciate all of your support with this as we would like as many children as possible to achieve the 25/25 target.</p> <p>Many thanks.</p> <p>Mrs Kavanagh and Miss McKinney</p> <p>Parents of the children detailed below are invited to join us in our celebration assembly on Friday 24th May at 9:10am.
